## Report

Cyber Society of India (CySI) organized a workshop on “Digital India” at the P.S. Higher secondary school, R. K. Mutt Road, Chennai-600 004 on 24-July-2015.

The audience, numbering around 80, comprised of cyber professionals, research scholars, senior banking professionals, homemakers, students, senior citizens and representation from the media.

On the CySI President Shri Prakasham welcoming the gathering, the Chief Guest Shri. M.S. Sundar Rajan, Former Chairman & Managing Director of Indian Bank was introduced by Shri C. Badri, Chairman of the Event Management Committee of CySI.

In his keynote address on ‘Digital India: Cyber crimes in the Financial Sector’, Shri. Sundar Rajan briefed the audience on the common avenues of crimes in the financial sector and the audience was visibly enlightened by some of the suggested methods to be adopted by people to avoid from being victimized.

Shri M.R. Sivaraman , IAS (Retd), Former Revenue Secretary , on being introduced by the Immediate Past President Mr Rajendran, delivered his special address on ‘Governance and use of Cyber space’. In his address, he enthralled the attendees by walking them through the tough path traversed by him towards directing the Nation on the digital path right from the introduction of PAN card to the computerization of registrar offices across states.

Then followed an interesting Panel discussion on ‘Data Privacy in Cyber space’, headed by CySI Past President Shri K.Srinivasan. The panel consisting of M/s Sudha Sundararaman, Sunanda Manoharan & Sujatha Ravindra Kumar with a fair representation of the Industry, home and young gen sections not only shared their experiences on the cyber space but also provided simple steps to safeguard people from the lurking dangers in the cyber space.

The workshop concluded with the CySI , Secretary Mr V.Kapaleeswaran, thanking the Chief Guests, dignitaries, participants and all others involved in making this workshop successful.
