

Our President Shri V. Rajendran and Past President Shri K Srinivasan met the Union Minister of Fertilizers and Chemicals Shri Hansraj Gangaram Ahir in IIT Madras during his visit to Chennai. The Minister was welcomed with a shawl on behalf of CySI and was given a representation on issues concerning the nation on cyber security matters, for onward transmission to the concerned ministers (I.T. and Commerce).

The Minister though not in charge of I.T. or other departments concerning information security, cyber crimes and cyber laws, assured all support and guidance to CySI team in our task of enhancing awareness in these areas among the public. He is the proud recipient of Sansad Ratna award instituted by Prime Point Foundation for honouring MPs with outstanding performance in the Parliament. He has been consistently receiving the award for the past five years, on parameters like maximum attendance in Lok Sabha, participation in debates etc. Shri K Srinivasan is the founder of Primepoint Foundation which has instituted the award and the principal office-bearers of CySI have been associated with the award function for the past few years.
